Coast to coast walk Sun 17 Mar afternoon

Challenge a friend, get in touch with your peer review group, get your partner off the couch, put the dog on it's lead – it's time for some fresh air and exercise!

- Walk, or run(?!), 4km, 10km, or 16km from Manukau harbour to Waitemātā.

- Alternative 1.5km or 3km route around Westhaven marina to the city for young families and anyone who prefers lots of sea views.

- All finishing with socialising and well-deserved burgers at Wahlburgers, downtown waterfront.

This is our only whānau event of 2024 - we would love to see you there!
